(PAF 3401) Please take this course whether or not you are a PAF major and you want to learn statistics, very helpful professor. I truly enjoyed her class and wish her the very best in future endeavors. Professors like these are rare to find!
(PAF 3401) AMAZING PROFESSOR Always excited to teach and equally as excited to learn. Work-load was reasonable for a college course and challenged us to continue learning.
(PAF 3401) Created a great class environment where everyone felt like they could ask questions, everyone genuinely wanted to learn the material even though it was difficult. She’s a really kind and patient professor! I don’t think I have any notes :)
(PAF 3401) The prof is very understanding. She goes over some times a topic 2,3 times so that students can have less doubts and understand the concept properly
(PAF 3401) I loved this class it was perfectly taught. One of the best professors I have had at Baruch.
(PAF 3401) This class made me love Statistics.
