### Your comments and suggestions are helpful in improving this course.

(PAF 3105) Thank you for such a wonderful semester professor! You are really one of the most kind and intelligent professors I've ever had during my time at Baruch. You made a seemingly "dry" subject so interesting and relevant. I guess my only comment would be that I found your slides more helpful than the required book we purchased.

(PAF 3105) Well organized and enthusiastic professor,knowledgeable of the topic.

(PAF 3105) I felt like the midterm was stressful as we had learned a lot in the first chunk of the semester. Would have preferred if there were tests on groups of chapters rather than all of the chapters at once. Also after the midterm, there was a decrease in motivation to learn the materials in class after since we were focused on surveys so much. Overall the class was great though and very informative and fun. You were a great and really intelligent and fun professor!

(PAF 3105) She is an amazing professor!

(PAF 3105) My only suggestion would be a reminder of readings, or just to check the syllabus for what is due. At the end of class or via email.

(PAF 3105) The instructor was really great in teaching. She explained all the material so well. I learned a lot from her, and I'm glad I took her.

(PAF 3105) I really enjoyed the class!

(PAF 3105) I absolutely loved this course and could tell Professor Valente worked hard to creat e an environment that fostered learning. I look forward to taking another class with Professor Valente in the future!
